Buyers must be at least 18 years of age. Buyer's premium of 10% will be added to the sale price. The buyer agrees that any published description is solely for identification and does not constitute a warranty, express or implied that the merchandise actually conforms to such description; merchandise is purchased "as is." Crawford County Historical Society (CCHS) and its partners make no warranties or guarantees as to the quality or condition. Failure to inspect items shall not be a cause for cancellation of sale.

When possible, items will be sold in the sequence listed in the auction catalog. Bidders are responsible for determining that the auction description matches merchandise inspected. CCHS reserves the right to accept or reject any and all bids. The auctioneer may refuse to recognize any person not registered and not having a paddle number. CCHS reserves the right at its sole discretion to refuse anyone the right to register and participate.

Consignors are not allowed to bid on their own property/merchandise or have an agent bid on their behalf. If the auctioneer recognizes such bidding or is advised of the same, the auctioneer reserves the right to withdraw any and all items consigned by the offending consignor.

Successful bidders must pay for the purchase of all lots immediately following the conclusion of the auction. Acceptable forms of payment are cash, personnel check, cashier's check, or money order. All sales are final. No refunds will be given.

All personal property and purchases must be removed at the conclusion of the auction unless other approved or accommodations are made. Failure to make proper payment for purchases or to remove purchased items from the building by the close of the day will result in a forfeiture of any right, title, or interest the bidder may have acquired and the property shall revert to the CCHS.

Announcements may be made on the day of the auction to clarify catalog descriptions or other information specific to a lot or individual property/merchandise item. These announcements take precedence over catalog information pertinent but do not alter in any way these basic terms and conditions of sale.
